Testimonial 1 - Barbara Burkhardt

Maggie Reagh takes private clients, works with their individual limitations and designs a practice for them that will help them recover from whatever ails them or else helps them optimize their well being within their limitations, for more serious challenges. She is highly skilled, has a wonderful presence, knows her stuff, and has helped me enormously in my recovery of a knee injury that bedeviled me for several years. **Barbara Burkhardt, Private and Public Classes Student**
