You're invited to our Open House on December 12th ? A Zoom Event!

We welcome you to join us on the morning of Saturday, December 12th, from 8:30am to 9:30am PST. This is a unique opportunity to learn about our Certified Yoga Therapist Training (CYT 1000), and to meet the founder of Yoga Therapy International, Maggie Reagh ^[1].

You'll also have the opportunity to meet and ask questions of core faculty members of the CYT training program: Neil Pearson ^[2], Tracy Dignum ^[3], and Danielle Schroeder ^[4].

Three of our graduates from the past 10 years will also be attending the Zoom event to answer questions related to what it's like to be a student of this program.

Most importantly, Maggie will give a presentation, specifically about changes made to our 1000-hour IAYT-accredited Yoga Therapist training in response to the pandemic. The program is now 3 years, rather than a 2 years to allow for more time to integrate the first foundational term, and to allow for online learning during our first year together.

Finally, the Open House will conclude with a Q&A.

To receive the Zoom link, **register early** [5].

After the first 20 registrations, names will be added to a waitlist for the next Open House.

We all look forward to sharing our knowledge and experience and the joy of Yoga Therapy with you.
