

Graduates

YTI has been running our 1000-Hour Certified Yoga Therapist training since 2009. In 2013, we had our first 6 graduates who had been studying with us since 2009 from their RYT 200, 500 to CYT1000 levels. In June, 2014, we became one of the first 12 schools in the world to gain IAYT accreditation for our program. This first 2013 cohort were all grandparented in as C-IAYTs, Certified Yoga Therapists.

In 2015, we launched our first accredited version of the CYT 1000 program. From 2015-2019, we have had 16 more graduates for a total of 22. Our present group of 8 students is due to graduate in June, 2021, which will bring us to the magic number of 30 grads, a moment to celebrate!

To learn more about what these graduate are doing now as C-IAYTs (Certified IAYT Yoga Therapists), and their experience of our ever-evolving CYT 1000 program, please read their stories below.
