## **Testimonial - Gabi Macra, 2021 CYT Graduate**

YTI has a wonderful faculty, both in Canada and Chennai. It was an absolute pleasure and honour to learn from this wide and diverse range of teachers, all experts in their respective fields. For me personally, the residential terms were a real highlight, both in Vancouver and Chennai. While, in the summer of 2020, Covid-19 led to Term 3 being online there was a real sense of community and togetherness during our learning in that period and it was a real testament to Maggie and her entire faculty to adapt so quickly and effectively. Huge love and respect for all of my learnings, for all of the faculty and for the wonderful community I was lucky to be a part of at YTI.
