## **Testimonial - Tiffany Pettett, 2021 CYT Graduate**

Yoga Therapy International (YTI) gave me a multitude of experiences in life and learning throughout my 2yrs with them during this program. The knowledge acquired from these incredible world renowned faculty members was invaluable. 6 weeks in India has the ability to change your life on so many levels. The end of something is always the start of something new. I look forward to walking the path that YTI has helped me navigate toward. Here's to entering the next chapter?
